Re: U.S. Patent Application No. 09/855,320
For: In Vitro Modifications of Glycosylation Patterns
of Recombinant Glycopeptides
Filed: May 14, 2001
Our Ref.: 019957-014110US

Dear Examiner Rao:

Thank you for taking the time on Friday, August 15, 2003 to talk about U.S. Patent Application No. 09/855,320. During our conversation, you approved the filing of a Supplemental Amendment in this case. Additionally, you mentioned that Applicants' Office Action Response, mailed on January 23, 2003, was not on file in the USPTO. To remedy this situation, you suggested resubmitting the Office Action Response and the transmittal form, along with a copy of the Postcard with the USPTO-stamped Date of Receipt on it.

Therefore, Applicants, enclose the following:

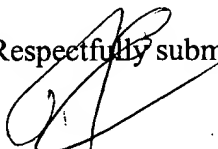

- 1) Supplemental Amendment;
- 2) Resubmitted copy of Applicants' Office Action Response of January 23, 2003;
- 3) Resubmitted copy of Applicants' Transmittal Form of January 23, 2003;
- 4) Resubmitted copy of Applicants' Fee Transmittal Form of January 23, 2003;

and

- 5) Copy of the Postcard with the USPTO Date-stamped Return Receipt Postcard.

If you have any questions or concerns, please do not hesitate to contact me.

Respectfully submitted,

Todd Esker
